

Loan Parameters

Equipment and vehicle Loans are available to business entities from \$100,000 to \$5,000,000 for all types of new and used equipment and vehicles.

Solutions Financial provides simple-interest loans with amortizations from 2 – 7 years depending on age and useful life of the asset.

Credit criteria:

- 2 years in business
- 80% loan to value (the difference can be cash down payment or any equipment, vehicles or real estate as additional collateral)
- Rates from 8% - 15% depending on credit score and time in business
- Credit scores from 600 and up
- We loan to businesses in every State, except California and New York
- Credit and funding turn-around typically happens within 48 -72 hours
- Guaranties required for all owners with 20% or more ownership

Solutions Financial is a 25-year old, direct lender. We're a sister company to Wheeler Machinery (Caterpillar Dealer) in Salt Lake City.

We lend to businesses when traditional lenders cannot
